A joyful, hands-on introduction to learning, focusing on foundational skills in math and reading, alongside rich explorations of the Bible, history, and science. Students engage in interactive learning sessions, read aloud with their families, memorize poetry and Scripture, and complete creative projects that bring their learning to life.

At this stage, our platform is designed to serve as a support for parents - not a replacement. It provides structure, guidance, and resources that equip parents to confidently teach, encourage, and shepherd their children’s learning, while keeping the parent firmly at the center of the educational journey. The following titles are included with tuition as part of the American Faith Academy Primary curriculum.
